FROM: Citrus County Supervisor of Elections Susan Gill

SUBJECT: Candidate Guide

The Countywide Election Candidate Guide has been created to aid candidates, campaign treasurers and campaign managers in learning their respective duties and responsibilities under the Florida Election Code.

All candidate forms and election laws can be found at [www.votecitrus.com](http://www.votecitrus.com) by using the link to the Division of Elections website (<http://election.dos.state.fl.us/rules/index.shtml>). Do not use leftover forms from prior years. Laws change and the most current forms must be used. A list of forms and a description of their use is located in this guide.

Proper use and tracking of campaign reports is also an area of great concern. It is **MANDATORY** to use the free campaign software provided by the SOE Office for proper tracking of reports. Using the campaign software provides the transparency expected in campaign finance. We will provide documentation to candidates and campaign treasurers on the electronic filing software program.

We hope the guide will be a valuable reference to candidates and campaign treasurers during the campaign. However, situations will arise that have not been addressed in the guide. Please call the SOE Office at any time if you have additional questions or need clarification. We are ready to assist in any way that Florida law permits.

Sincerely,

Susan Gill  
Citrus County Supervisor of Elections

➤ Section 97.021(5), F.S. defines candidate as:

- Any person who seeks to qualify for nomination or election by means of the petition process
- Any person who seeks to qualify for election as a write-in candidate
- Any person who receives contributions or makes expenditures or gives his or her consent for any other person to receive contributions or make expenditures with a view to bringing about his or her nomination or election to, or retention in, public office
- Any person who appoints a treasurer and designates a primary depository
- Any person who files qualification papers and subscribes to a candidate's oath as required by law

*Note:*

*This definition does not include any candidate for a political party executive committee.*

### **2. Florida Candidate Restrictions**

- No person may qualify as a candidate for more than one public office, whether federal, state, district, county, or municipal, if the terms or any part thereof run concurrently with each other.
- No officer may qualify as a candidate for another state, district, county, or municipal public office if the terms or any part thereof run concurrently with each other without resigning from the office he or she presently holds.

- The resignation is irrevocable.
- The written resignation must be submitted at least 10 days prior to the first day of qualifying for the office he or she intends to seek. 99.012, F.S.
- The resignation must be effective no later than the earlier of the following dates:
  - The date the officer would take office, if elected; or
  - The date the officer's successor is required to take office.
  - A person who is a subordinate officer, deputy sheriff, or police officer must resign effective upon qualifying pursuant to Section 99.012, F.S., if the person is seeking to qualify for a public office that is currently held by an officer who has authority to appoint, employ, promote, or otherwise supervise that person and who has qualified as a candidate for reelection to that office.

### **3. Federal Hatch Act – Federal Employees**

- The Federal Hatch Act restricts certain individuals from participating in certain political activities if the individual is either a federal employee or works for an entity which is funded in part or entirely by federal funding. Candidates should investigate the impacts of the Federal Hatch Act early in the campaign process to avoid violations. A brief summary is contained in the manual for information purposes but is not a substitute for the candidate researching the possible impact of the Federal Hatch Act. More information on the Federal Hatch Act can be found at [www.osc.gov/hatchact.htm](http://www.osc.gov/hatchact.htm).

### **4. Form DS-DE 9**

- Each candidate seeking to run for public office must submit a Form DS-DE 9 Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates with the SOE Office. The candidate must file the DS-DE 9 prior to opening a bank account, collecting contributions, expending money, or collecting qualifying petitions.

### **5. Form DS-DE 84 or DS-DE 83 for Judicial Candidates**

- Each candidate seeking to run for countywide office must submit a DS-DE 84 Statement of Candidate or DS-DE 83 Statement of Candidate for Judicial Offices to the SOE Office within 10 days of submission of the DS-DE 9 form.

**WARNING:**

*Willful failure to file the DS-DE 84 or DS-DE 83 is considered to be a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083, Florida Statutes. (See Chapter 106.19(1)(c), 106.25(3), and 106.023, Florida Statutes for detail.)*

**6. Petition Burden Statement**

- Candidates can qualify to be placed on the ballot by paying a qualifying fee or collecting a set number of DS-DE 104 Candidate Petition Forms.
- Candidates qualifying by petition can file a DS-DE Affidavit of Undue Burden. It must be completed and returned to be exempted from the standard fee for verifying DS-DE 104 Candidate Petition Forms.
- If any person is paid to solicit signatures on a petition, an Affidavit of Undue Burden may not subsequently be filed in lieu of paying the fee to have signatures verified for that petition. If an affidavit has been filed and payment is subsequently made to any person to solicit signatures on a petition, the undue burden is no longer valid and a fee for all signatures previously submitted to the supervisor of elections and any that are submitted thereafter shall be paid by the candidate, person, or organization that submitted the undue burden oath. If contributions as defined in s. 106.011 are received, any monetary contributions must first be used to reimburse the supervisor of elections for any signature verification fees that were not paid because of the filing of an undue burden oath.

**7. Candidate Folder**

- All candidates filing paperwork to run for public office will have a candidate folder containing all documentation submitted by the Candidate to the SOE Office.

**8. Florida Statutes**

- Each candidate filing to run for public office will be provided access to Chapter 99, 105, and 106, Florida Statutes by the SOE Office and must read and understand the requirements of the Florida Statutes.
- Each candidate will be required to sign a statement acknowledging the candidate has been provided access to Chapter 99, 105, and 106, Florida Statutes.

*The candidate is solely responsible for reading and understanding the requirements of the Florida Statutes relating to running for public office in Florida.*

**9. Changing of Office Sought**

- Section 106.021(1) (a), F.S., allows a candidate to change the office sought and run for a different office after becoming a candidate, providing that the candidate:
  - Has not been a registered member of any other political party for 365 days before the beginning of qualifying preceding the general election for which the person seeks to qualify.
  - Provides written notice of the termination of the prior candidacy to the filing officer.
  - Files a new Appointment of Campaign Treasurer and Designation of Campaign Depository, designating the new office.
  - Within 15 days of the new appointment, notifies, in writing, all contributors of the change in office and offers to return contributions pro rata. The DS-DE 86 Request for Return of Contributions Form may be used for this purpose.
  - If contributors do not request that contributions be returned within 30 days of the above mentioned notice, the candidate may use the funds in the campaign for the newly designated office.

- Candidates qualifying by petition must use the DS-DE 104 Candidate Petition Form required by the State of Florida to gather voter signatures.
- Candidates can go to the Department of State – Division of Elections website to get a copy of the required DS-DE 104 Candidate Petition Form.
  - Candidates can go to <http://election.dos.state.fl.us/forms/index.shtml>
  - Scroll down the page to the DS-DE 104 icon and open a PDF copy of the form.
  - Candidates can enter the required information on the form and print a copy of the form for replication. Candidates can either copy the printed document or take the copy to a print shop to have additional copies made.
- Each petition form must include:
  - Pursuant to Section 99.095(2)(c), F.S., candidates must include the following information on the candidate petition form:
    - ✓ Candidate name as it will appear on the ballot.
    - ✓ Candidate party affiliation if required for the office sought or a statement of Non-Partisan.
    - ✓ Name of Office the candidate is seeking.
  - Pursuant to Chapter 1S-2.045, Florida Administrative Code, voters must include the following on the candidate petition form:

### 3. Candidate Petition Verification

The fee must be paid at the time petitions are submitted unless the candidate has submitted a DS-DE Affidavit of Undue Burden, which would exempt the candidate from the verification fee.

***Note:***

***Candidate petitions will be accepted by the SOE Office without payment of the verification fee. However, petitions will not be verified until the candidate has paid the required verification fees.***

- Candidate petitions will be reviewed by the SOE Office to ensure petitions meet the requirements of law and the signatures will be matched to the voter record.
- Candidates are advised to ensure petitions are complete before submission for verification to avoid rejection of the petition.

***WARNING:***

***The candidate can aid the voter in recording the voter name and address, but the voter must sign and date the form. The date must be “recorded by the voter” to meet the requirements of the law. Candidate petitions dated by someone other than the voter will be rejected if the SOE Office can determine the date was not written by the voter.***

- The voter’s signature is recommended to be as close as possible to the most currently submitted signature on file for the voter. However, Section 99.097(3)(a), F.S. stipulates that the signature on a candidate petition form must be accepted by the SOE as a valid signature if the SOE can determine the signature on the petition form is the voter’s signature. The law does not require the form of the name to be identical.
- The voter address should be the address recorded in the voter record for the voter. However, Section 99.097(3)(b), F.S. stipulates that if the voter lists an address on a candidate petition other than the voters home address, the SOE shall treat the signature as if the voter had listed the address where the voter is registered.
- Candidates are encouraged to continue collecting candidate petitions until the SOE notifies the candidate enough petitions have been verified for the candidate to qualify. If enough petitions are not submitted and verified, the candidate will be required to pay the qualifying fee.

- Candidates, political committees, and political parties may not solicit contributions from any religious, charitable, civic, or other causes or organizations established primarily for the public good.

- Campaign expenses may only be paid from either the primary campaign bank account, by check or debit card, or from a petty cash fund if one has been created.

### **2. Debit/Credit Cards**

(See Section 106.06, F.S.) In other words, do not hold expense receipts or donations more than two days before recording the transactions in the reporting program.
- Accounts kept by the campaign treasurer of a candidate may be inspected under reasonable circumstances before, during, or after the election to which the accounts refer by any authorized representative of the Division of Elections or the Florida Elections Commission. (See Section 106.06, F.S.)
- Accounts kept by a campaign treasurer of a candidate shall be preserved by the campaign treasurer for a number of years equal to the term of office of the office to which the candidate seeks election.

- Expenditures related to potential candidate polls as provided in S. 106.17 are not contributions or expenditures for purposes of this subsection.

#### **4. Petty Cash Fund**

- Campaign treasurers for a candidate are authorized to withdraw from the primary campaign account the amount of \$500 per quarterly reporting period for the purpose of providing a petty cash fund for the candidate until the close of the last day for qualifying for office. (See Section 106.12, F.S.)
- Following the close of the last day for qualifying and until the candidate is eliminated, elected to office, or becomes unopposed the campaign treasurer of each candidate is authorized to withdraw \$100 per week for use as a petty cash fund for the candidate.
- The petty cash fund shall be spent only in amounts less than \$100 and only for office supplies, transportation expenses, and other necessities.
- Petty cash shall not be used for the purchase of time, space, or services from communications media as defined in Section 106.011(13), F.S.
