

Amendment 4

The Citrus County Supervisor of Elections office enacted Amendment 4 - Voting Restoration Amendment passed by Florida voters that took effect January 8, 2019.

This amendment restores the voting rights of Floridians with felony convictions after completion of all terms of their sentence including parole, probation and restitution. The amendment would not apply to those convicted of murder or sexual offenses, who could continue to be permanently barred from voting unless the Governor and Cabinet vote to restore their voting rights on a case by case basis. Newly eligible voters who have previously been removed from the voter rolls due to felony convictions must re-register.

Persons with their rights restored by Amendment 4 may register in person at the Inverness Elections Office, online at www.registertovoteflorida.gov or visit the Driver's License Bureau, state agencies that provide public assistance, libraries or county government office to complete a form or take one to mail in to the Inverness Office at 120 N Apopka Ave inverness, FL 34450.
