SAMPLE BALLOTS

A sample ballot will be mailed to all voters who do not have a vote-by-mail request on file. You only receive your sample ballot if your address is up-to-date at the elections' office.

All voters are encouraged to review the ballot beforehand, particularly the proposed amendments to the constitution. You can take your marked sample ballot with you to the polls or when early voting. If voting on Election Day, your sample ballot has your precinct and polling place information.

Your Voter Registration Information card is not required when voting. Lack of photo and signature ID will require the voter to cast a provisional ballot.
